Royal lamp

PRODUCT

For the Snack Bar in the Royal Hotel in Copenhagen Arne Jacobsen designed a very simple lamp: four pieces form a cube around the bulb.

One of the cosiest areas in the large hotel was undeniably the Snack Bar, an informal area where you could sample 'Smørgaardsbord', accompanied by a lager and a snaps. Here one could discreetly sit behind decorative wooden screens and plants and eavesdrop on any of the many discussions in foreign tongues.

DESIGNER

Arne Jacobsen

MATERIAL

Acrylic, aluminium
