

# SNAKER

Design: Smoke Detektors

## Floor lamp

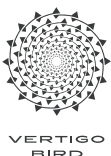

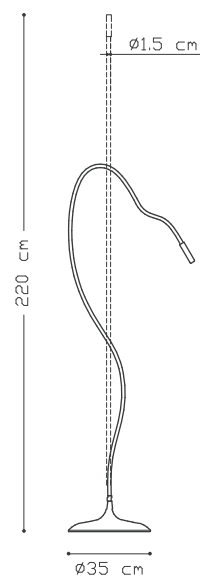

Snaker's light rises above the surface similar to a Cobra entranced by the hypnotic music issuing forth from the master's flute. The directed light is reminiscent of the snake's exploring tongue used to read and interpret gain its surroundings. Snaker is a completely flexible reading lamp. The form is decidedly minimalist in design, while its usability is patently maximal.

Material: aluminium, steel

Colours: white, black

## Specifications

Light source	POWERLED 2,5 W included transformer 700 mA included
Code	V04002 5101 / black V04002 5201 / white
Typology	floor lamp
Light emission	adjustable direct
Class	⊕
Installation	▽
IP rating	IP20
Certificate	CE ISO 9001
