Table lamp (2009)

The latest member of Eero Aarnio's figurative lamp family consists of three cubes of different sizes. This decorative design lamp looks good either on the floor, table or a wide window sill. The light takes two energy saving light bulbs.

Colour: white

Material: UV shielded polythene

Eero Aarnio

Interior architect, professor h.c. (b. 1932)

The Finnish designer Eero Aarnio is one of the great innovators of modern furniture design. Playfully simple shapes and forms, brilliant materials and fresh colours have characterised his design ever since his very first furniture classics in the 1960s. Aarnio designs trendy and new decorative interior objects, furniture, lighting and textiles every year.

KUBO

Eero Aarnio is the master of combining both functionality and fantasy in his products. The progressive availability of new materials and the development of production technologies have served as a source for his uninterrupted productivity for the past over 45 years.
