

Lokki

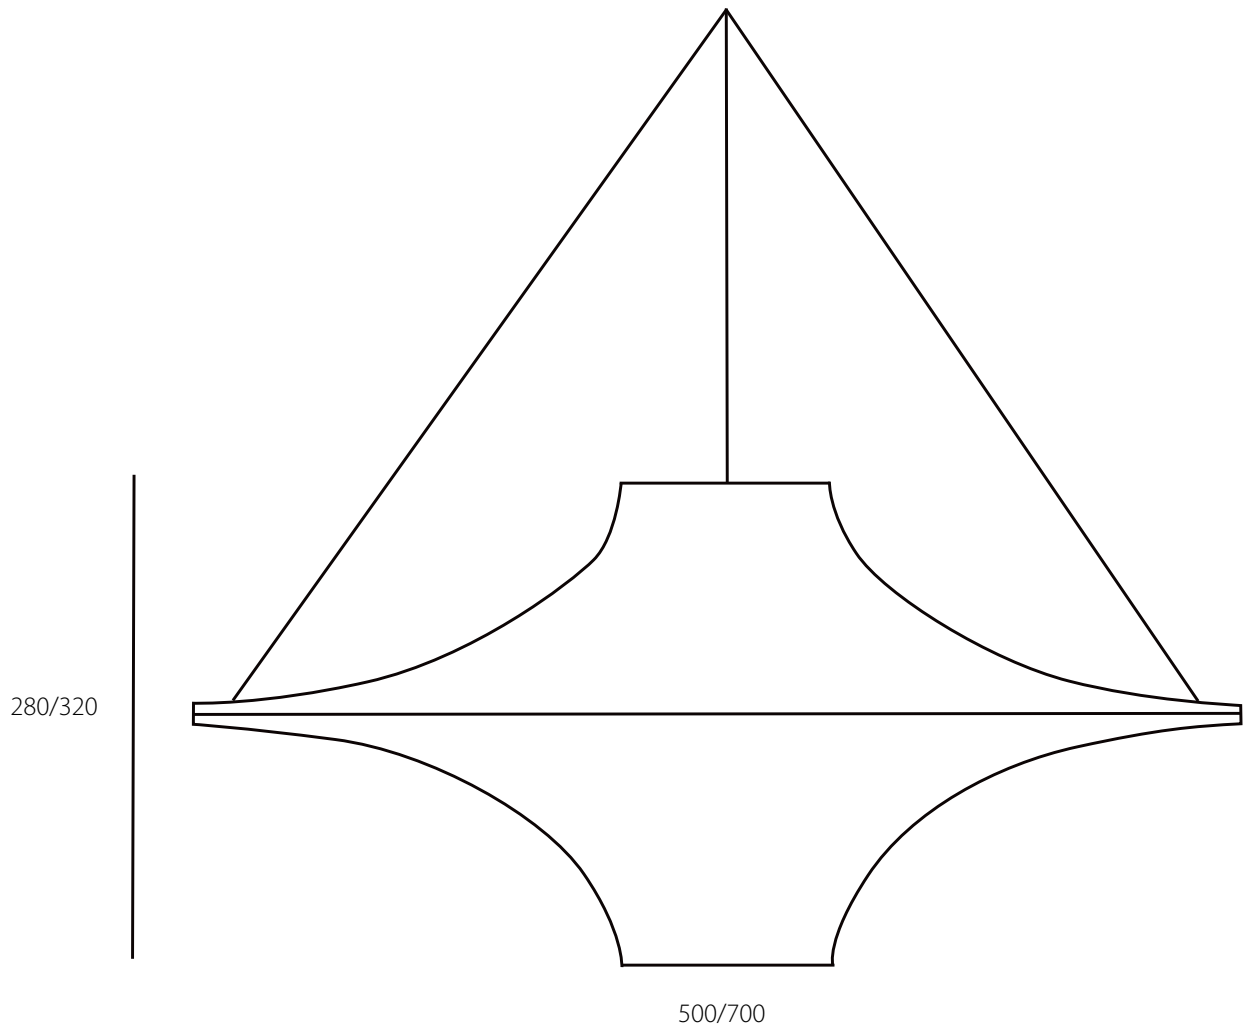

(Skyflier) hanging light

The LOKKI pendant light is a genuine classic and one of the best-known design products by Yki Nummi. Nummi was one of the first designers in Finland to use the then new acrylic as a material for light fixtures. The LOKKI design is innovative and timeless while its lighting is absolutely excellent.

Colour: white

Material: PMMA acrylic with steel chains

E27, max 100W

Yki Nummi

Designer, artist (1925 - 1984)

Yki Nummi worked as a lighting designer at the Stockmann-Orno lighting fixture factory from 1950 to 1975, designing hundreds of lighting fixtures in this period. He is still considered to be among the most remarkable Scandinavian designers of his time. Nummi's lamps received awards at the Triennials in Milan in 1954, 1957 and 1960.

LOKKI

(Skyflier)

University studies in mathematics and physics and a degree in decorative painting gave Yki Nummi a firm foundation on which to experiment with the relationship of light and colour in his design of light fixtures.
