

## KELVIN LED BASE

Mounting	: Base
Lamps description	: 30 x TOP LED 270 LUMEN TOTAL
Environment	: Indoor
Finish	: Anthracite, White, Black
Technical description	: Table light with direct light, with double pantograph arm and swivelling head. Body in cast aluminium alloy. Outside of the head in die-cast aluminium with injection-moulded metalacrylate diffuser. External cover of the base in ABS with white, anthracite or black finish. The structure is achieved with a square tube in extruded aluminium alloy (12 x 12 mm) worked mechanically in order to form the housing and allow the stainless steel compensation springs and acetabular resin injection moulded slides to operate inside. The external anchors are steel cables 3 mm in diameter. The ON/OFF switch is electronic and has optical operation located in the head.

## ELECTRICAL

Emergency	: Without
Voltage (V)	: 220/240

## PHYSICAL

Supply	: Power cord
Cord length(mm)	: 1800
Construction material	: Aluminum
Weight (kg)	: 4,4

## Kelvin LED Base

design by Antonio Citterio with Toan Nguyen

Table light with direct light.
